I'd suggest that Shawn make the call. If Shawn can't, I have some time this afternoon.

The access request looks good to me.

Hey Guys.

Shawn sent the contact information for the current owner of the Personal Address/Ex. 6 and I'm copying it below. I'm also attaching an access form, it hopefully will capture what you need. Please review, and let me know if it needs to be changed. It likely makes the most sense for Steve, Craig, or Shawn to make first contact to request access, since the whole EPA attorney-title sometimes tends to unnecessarily elevate issues like access. Please let me know however else I can be of assistance.

Thanks,

ap

Hi Shawn,

Steve asked that I forward on some information about a claim owner we need to get in contact with, Steve is more than happy to talk with them once we know who to talk to, here is the info.

I spoke with San Juan County and they said that the claim south of the Anglo Saxon that we need access to is as follows:

**Personal Address/Ex. 6**

Thanks,  
Elliott
